Federal Student Loan Debt

Most Recent 3 Year Cohort Default Rate as Reported by the United State Department of Education	The Percentage of Enrolled Students in 2016 Receiving Federal Student Loans to Pay for this Program	The Average Amount of Federal Student Loan Debt of 2016 Graduates Who Took Out Federal Student Loans at this Institution	Graduates Employed in the Field ⁹
0.0%	72%	\$3,729.11	N/A

*The percentage of student who defaulted on their federal student loans I called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ **Date:** _____

Student Loan Information

The Cohort Default Rate (CDR) represents the percentage of this institution's students that failed to make required payments on their federal loans within three years of when they were required to begin repayment of that loan. This institution started accessing Title 4 Federal loans in August 2014 and therefore, none of its graduates' loans have reached repayment period. At this time, Cohort Default Rates are not applicable for this institution.

Definitions

¹“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

²“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

³“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

⁴“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

⁵“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

⁶“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

⁷“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

⁸“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁹“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

¹⁰“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

¹¹“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

¹²“First Available Exam Date” is the date for the first available exam after a student completed a program.

¹³“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

¹⁴“Passage Rate” is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

¹⁵“Salary” is as reported by graduate or graduate’s employer.

¹⁶“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at the following address: Bay Area Medical Academy, 530 Bush Street, Suite 201, San Francisco, CA 94108. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation can be provided using the Student Withdrawal Form requested from the Student Registrar at registrar@bamasf.com and submitted via email to registrar@bamasf.com, or by fax (415-358-5877) to the administrative office, or in person.
5. If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration or administration fee not to exceed \$250.00, and less any deduction for textbook and uniform not returned in original unopened package condition and for equipment not returned in good condition, within 45 days after the notice of cancellation is received. Textbook and uniform are not refundable once original package is opened.
